Since the first Jucy's opened its doors in Longview, Texas in 1980, we've been making one of the freshest, and of course juiciest, burgers you'll ever have the pleasure of eating.

Everything that goes into our burgers, fries and beans is prepared fresh every morning. We even grind our own fresh beef daily. Maybe that's why Jucy's has been voted "Best Burger in East Texas" for the last 15 years in a row. Jucy's has also been recognized by *Texas Highways Magazine* as one of the top 10 burgers in Texas.

Jucy's is family owned and operated to ensure that we continue to serve our customers the freshest and most delicious burgers possible. Visit one of our four locations today and make yourself at home with the Jucy's family.
